Re: Clayton Chemical Site

Mr. Turner;

Thank you for the meeting at your office before the holiday. As was stated at the meeting the Wood River Illinois Comet Cleaners was sold in May 1, 2000 to the Tanzyus Corporation. Mr. Chuck Larson owned that same cleaners prior to that date. This location was never a part of the "Comet" Cleaners chain and Mr. Larson nor the Tanzyus Corporation has never owned or operated any of the other Comet Cleaners listed in the PRP letter.

As was stated in the Chicago meeting, we were to give our contact information:

Ownership prior to May 1, 2000

Chuck Larson

109 Sugar Pine Lane Apt. E
O'Fallon, IL 62269

Ownership since May 1, 2000

Tanzyus Corporation

Attn: Dave Tanzyus
2501 State Street
Alton, IL 62002

I hope that this information is sufficient for your request. I have discussed the matter with Mr. Larson and he is aware of our meeting and this letter.

Thank you;

Dave Tanzyus
